Accommodation

We recommend staying at **Thon Hotel Ski** ([Thon Hotel Ski | Thon Hotels](#)), which is centrally located. The bus stop is just a one-minute walk from the hotel, with buses to Ås departing every 10 minutes.

Another option is to book a room at the Scandic Oslo City hotel, located just 100 meters from Oslo Central Station. From the station, trains run every 30 minutes — look for line R21 towards Moss. The first stop is Ski, and the second is Ås Station. From Ås Station, you can take bus number 510 to the field station at Vollveien 3 (bus stop Brønnerud skole).
